

**C-12: Improving Your Presentation Skills Through Improv**

**Monday, November 7, 1:30 p.m. – 3:00 p.m.**

Improv is acting and reacting in the moment.

The most valuable leave-behind one will receive for this session will be your experience in the moment during this session.

Please give yourself permission to challenge yourself, take some fun risks and be in the moment.

We'll have some laughs, too.
