Antitrust Notice

V

- The Casualty Actuarial Society is committed to adhering strictly to the letter and spirit of the antitrust laws. Seminars conducted under the auspices of the CAS are designed solely to provide a forum for the expression of various points of view on topics described in the programs or agendas for such meetings.
- Under no circumstances shall CAS seminars be used as a means for competing companies or firms to reach any understanding – expressed or implied – that restricts competition or in any way impairs the ability of members to exercise independent business judgment regarding matters affecting competition.
- It is the responsibility of all seminar participants to be aware of antitrust regulations, to prevent any written or verbal discussions that appear to violate these laws, and to adhere in every respect to the CAS antitrust compliance policy.

Concurrent Session: Wheels of Misfortune

V

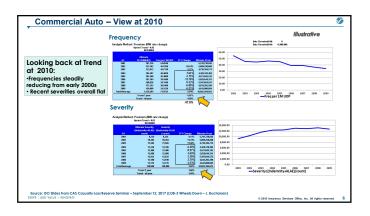

- This session will provide an update to the Commercial Auto industry experience, most recently presented at the 2018 September CAS Loss Reserving Seminar and June CARe Wheels Down sessions.
 We will review various industry results from the 2000s through 2017. We will include a
- We will review various industry results from the 2000s through 2017. We will include a
 detailed review of 2017 as of 2018 with an emphasis on actual vs. expected testing
 indications, potential lengthening ground-up and excess loss development factors,
 industry based initial expected loss ratios, rate change monitoring, and underwriting
 cycle ramifications.
- Additional claim drivers and litigation trends will be reviewed including a diagnosis of the past and potential remedies for the future.
 An underwriter / commercial auto product manager who has lived through the wheels
- An underwriter / commercial auto product manager who has lived through the wheels ups and downs over the last decade will give their experience from a ground level perspective, including measures to help underwriters improve their insights in this continually challenging line of business.
