Code of Professional Conduct

3

Professional Integrity

- ▶ PRECEPT 1:
An Actuary shall act honestly, with integrity and competence, and in a manner to fulfill the profession's responsibility to the public and to uphold the reputation of the actuarial profession.

4

Qualification Standards

- ▶ PRECEPT 2:
An Actuary shall perform Actuarial Services only when the Actuary is qualified to do so on the basis of basic and continuing education and experience and only when the Actuary satisfies applicable qualification standards.

5

Standards of Practice

- ▶ PRECEPT 3:
An Actuary shall ensure that Actuarial Services performed by or under the direction of the Actuary satisfy applicable standards of practice.

6

Communications and Disclosure

- PRECEPT 4:
An Actuary who issues an Actuarial Communication shall take appropriate steps to ensure that the Actuarial Communication is clear and appropriate to the circumstances and its intended audience and satisfies applicable standards of practice.

7

Communications and Disclosure

- PRECEPT 5:
An Actuary who issues an Actuarial Communication shall, as appropriate, identify the Principal(s) for whom the Actuarial Communication is issued and describe the capacity in which the Actuary serves.

8

Communications and Disclosure

- PRECEPT 6:
An Actuary shall make appropriate and timely disclosure to a present or prospective Principal of the sources of all direct and indirect material compensation that the Actuary or the Actuary's firm has received, or may receive, from another party in relation to an assignment for which the Actuary has provided, or will provide, Actuarial Services for that Principal. The disclosure of sources of material compensation that the Actuary's firm has received, or may receive, is limited to those sources known to, or reasonably ascertainable by, the Actuary.

9

Conflict of Interest

- PRECEPT 7:
An Actuary shall not knowingly perform Actuarial Services involving an actual or potential conflict of interest unless:
- the Actuary's ability to act fairly is unimpaired;
 - there has been disclosure of the conflict to all present and known prospective Principals whose interests would be affected by the conflict; **and**
 - all such Principals have expressly agreed to the performance of the Actuarial Services by the Actuary.

10

Control of Work Product

- PRECEPT 8:
An Actuary who performs Actuarial Services shall take reasonable steps to ensure that such services are not used to mislead other parties.

11

Confidentiality

- PRECEPT 9:
An Actuary shall not disclose to another party any Confidential Information unless authorized to do so by the Principal **or** required to do so by Law.

12

Courtesy and Cooperation

▶ PRECEPT 10:

An Actuary shall perform Actuarial Services with courtesy and professional respect and shall cooperate with others in the Principal's interest.

13

Advertising

▶ PRECEPT 11:

An Actuary shall not engage in any advertising or business solicitation activities with respect to Actuarial Services that the Actuary knows or should know are false or misleading.

14

Titles and Designations

▶ PRECEPT 12:

An Actuary shall make use of membership titles and designations of a Recognized Actuarial Organization only in a manner that conforms to the practices authorized by that organization.

15

Violations of the Code of Professional Conduct

▶ PRECEPT 13:

An Actuary with knowledge of an apparent, unresolved, material violation of the Code by another Actuary should consider discussing the situation with the other Actuary and attempt to resolve the apparent violation. If such discussion is not attempted or is not successful, the Actuary shall disclose such violation to the appropriate counseling and discipline body of the profession, except where the disclosure would be contrary to Law or would divulge Confidential Information.

16

Violations of the Code of Professional Conduct

▶ PRECEPT 14:

An Actuary shall respond promptly, truthfully, and fully to any request for information by, and cooperate fully with, an appropriate counseling and disciplinary body of the profession in connection with any disciplinary, counseling or other proceeding of such body relating to the Code. The Actuary's responsibility to respond shall be subject to applicable restrictions on Confidential Information and those imposed by Law.
