

Sustainability at The Co-operators: Opportunities for Better Risk Management

Barbara Turley-McIntyre, Vice-President, Sustainability & Citizenship
Casualty Actuarial Society, Toronto, Canada
May 23, 2017

SUSTAINABILITY
Taking care of tomorrow today—
the co-operative way

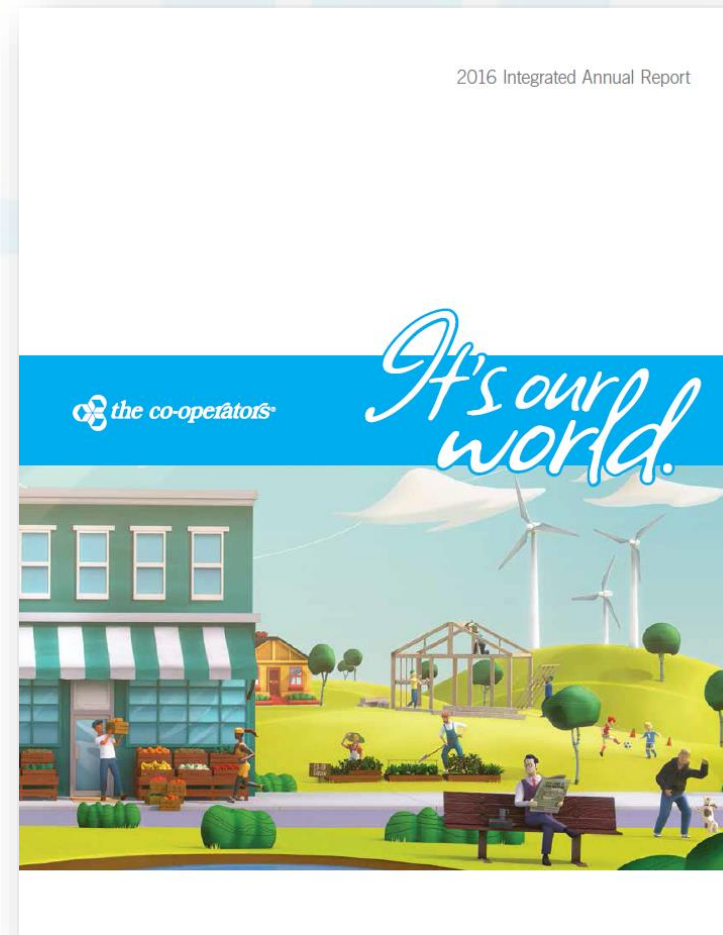

Learn how sustainability practices impact P&C insurance

Come to this session to:

- Understand sustainability, and its pillars and principles
- Identify its implications on P&C insurance operations
- Learn how a major Canadian insurer, The Co-operators, is integrating sustainability principles into its operations and throughout the organization
- Explore sustainability considerations for actuarial work
